

The Church Point Pentecostals

Children's Ministry

Director:

Josh Credeur

The Church Point Pentecostals Children's Ministry consists of Sunday School classes, bus routes, special seasonal events, children's choir, and various other fun activities for children ages 2-11. The Sunday school classes are designed to lead students to Christ, equipping them with the Word of God, encouraging them to live overcoming lives, while becoming effective witnesses. The Bus Ministry provides transportation to those who do not have other means of getting to church. It reaches children of all ages from our community, connecting them with Jesus Christ.

Vision

To ensure our future and our children's future, by teaching them at an early age the importance of a life devoted to God.

Mission

To teach children how to build their lives around the Word of God and their relationship with Jesus. To provide a safe place where children learn about God's word and feel His love.

Passion

Cultivating children into young people passionate about God.
